## SYNOPSIS

The local news show *Metro Morning* has asked Common Ground to send a spokesperson for their next update on storm recovery. The Director can't go because of a meeting with the board of directors and needs to pick someone to go in his or her place. Everybody in the office thinks they know who is the best person to represent the Center's work, and no one is shy about sharing their opinions! Ultimately, it's up to the Director to choose between Pierre—who's been with the Center the longest—and Suna, a former client and the Center's new Communications Associate.
