

HERB BENSON INTAKE NOTES

SOURCE
#5

Mr. Benson is wearing many colored rubber bands on each wrist. Water is leaking from the ceiling in his apartment, but the landlord won't fix it. Mr. Benson was married for 41 years before his wife died last year. He says his landlord wants to evict him because many people in the building have complained about him. Mr. Benson is a retired car salesman. He has 15 cats. He has a wound on his head, which he says has been there for weeks. Mr. Benson has asthma and allergies, and he was on anti-anxiety medication before he lost his prescription in the storm. He is whistling loudly right now and says he whistles when nervous. He has two adult daughters who live out of state.
