

KEY VOCABULARY

Episode 4: A Job to Do

Strategy Suggestion

Copy onto the board or project the blank Job Words chart, and work with the class to fill it in. Students should use all words in each of the two Word Banks to fill in the columns.

Word/Term	Part of Speech	Definition
advertise	v.	1. to try to find something, such as an employer, by putting a notice in a public place; 2. to tell about a product so people will want to buy it (advertises, advertising, advertised)
advertisement	n.	a public notice that helps to sell or announce a product, service, or event (also called an ad) (advertisements)
