

KEY VOCABULARY

Episode 11: Money Troubles

Strategy Suggestion

Write these suffixes and their meanings on the board:

- -ary = belonging to
- -ation = action
- -ity = state of

First, challenge students to identify the base word in each word that uses one of the suffixes on the board ([document](#); [observe](#); [secure](#)). Explain that suffixes often alter the part of speech of a word, which will slightly alter its meaning.

Write these word pairs on the board and challenge students to come up with a context sentence for each word in each pair: [document/documentary](#); [observe/observation](#); [secure/security](#).
