

QUICKWRITE ORGANIZER: EPISODE 9, "MEDICAL MYSTERY"

WRITE BULLETIN BOARD TIPS

Teresa's dog Scout and the office cat, Kwesi, are going to be together today. To be sure everything works out fine, you need to write some tips for your staff to read.

Using information from the article, along with what you already know, draft a "Do & Don't" list. In the why column for each category, write a note explaining your tip. The first row is done for you.

KEEPING SCOUT AND KWESI SAFE & HAPPY

DO	WHY?	DON'T	WHY?
Take Scout for at least three walks today.	We don't want any accidents in the office! Plus he needs the exercise.	Don't leave <i>any</i> chocolate lying around!	Chocolate is poisonous to dogs and cats.

Whether you organize your tips for the staff as a “Do & Don’t” list or in another way, the tips need to be clear so they can be understood if read quickly. Use only a few well-chosen words for each tip.

You can either go back to the game to write, or write your tip list in the space below, then copy and paste it into the box in the game.

WRITING PROMPT

Write a 3-6 line bulletin board notice about Scout and Kwesi. Before you hit "Send," make sure you have:

- in your own words, clearly stated the importance of keeping the two animals apart
- offered 2-4 tips on how to make the office safer for the animals
